

John Toner, CLVS

(813) 598-8702

4205 Saltwater Blvd. Tampa, FL 33615

John@JohnTonerWorks.com

I am a technology oriented professional, with a record of achievement in sales and marketing. Being an expert in the implementation of state of the art technology solutions has enabled me to successfully launch divisions and new companies. Currently I am looking for the right company that can utilize my unique combination of software skills, marketing experience, excellent education, training and technical knowledge to impact their bottom line.

MARKETABLE SERVICES

- Business development; sales, marketing, public relations
- Project management on tight deadlines
- Computer graphic designer for numerous formats, including 3D animation
- Expert in software solutions for office management, document management, graphic design, video editing, and more.
- Web design including HTML and CSS
- Video recording and editing
- Writing marketing copy for print media and web sites
- Seminar presentations
- Sales presentations
- Consultative selling skills
- Marketing events and trade shows
- Market research and analysis
- Social media marketing & SEO

PROFESSIONAL EXPERIENCE (2003 - Present)

PanEx Partners, LLC . (May 2013-Present)

Director Marketing and Technology

Achieving all of my goals at Orange Legal, I moved on the PanEx Partners, LLC . to provide myself more flexibility and temporarily assist in all aspects of marketing and technology, while I pursue opportunities more in line with my long term career goals. Currently I assist in:

- Gaining additional website traffic through managing SEO and PPC campaigns for PanEx Partners, LLC .
- Managing CoastalStrategies.com edits and email hosting for firm and international B2B site www.PanExProducts.com.
- Creating brochures and other marketing materials for firm and clients involving direct email marketing campaigns.

Orange Legal, Inc. (Dec 2009 - May 2013)

Director of Litigation Support

The statewide firm Orange Legal engaged me to establish, market, and manage the new Trial Technology division. I successfully accomplished that objective, and supported law firms all over the state with their exhibit graphic design, ediscovery and litigation support needs. Orange Legal further retained me to market the entire firm via trade shows, creating printed marketing materials, marketing videos, performing SEO, conducting sales presentations, and educational CLE (Continuing Legal Education) seminars.

The achievement of these objectives involved strategies, tactics and action items planned and implemented including:

- Launched the now successful Trial Technology division by researching the current market conditions, developing and then implementing the marketing plan.
- Grew Orange Legal's client base by conducting professional sales presentations to law firms of various sizes.
- Created marketing materials, including brochures, websites, PowerPoint presentations, and more.
- Started and managed the social media efforts on Facebook, Twitter, LinkedIn, and YouTube.
- Created, wrote and managed the monthly newsletter called *The Orange Seed* that is distributed in the thousands.
- Wrote an ongoing series of technology related blogs for the professional industry.
- Promoted and grew the Orange Legal brand by attending trade shows and industry events to market the company.
- Successfully ran the Tampa Video Department and Video Conferencing Center
- Researched and purchased a plethora of state of the art equipment for the A/V Division & the Tampa Mobile Video Studio
- Managed countless graphic design and multimedia projects from initiation to completion.
- Successfully managed the growth of the trial department; training others in state of the art technology.
- Worked with printers to negotiate rates and produce brochures, creative marketing materials, signs and more.
- Assisted in winning trials for clients by providing Trial Technology services including: trial presentation, document management, legal video presentations, 3D animation and graphic design.
- Independently developed and currently teach educational technology related CLE (Continuing Legal Education) seminars, approved by the Florida Bar, to attorneys across the state of Florida with audiences numbering in the hundreds.
- Contributed greatly to Orange Legal's bottom line by recording and producing over a hundred legal depositions.

United Country Florida Coastal Real Estate (Dec 2007 - Nov 2009)

Marketing Coordinator

Under my marketing efforts, UCFC Real Estate acquire \$200,000,000 worth of land listings within 2 years. I performed a wide variety of marketing roles with an exceptional level of professionalism, from research through implementation, including:

- Designed and published marketing material per research to address the needs of the prospective buyers.
- Conducted sales presentations to land developers and other potential buyers with brochures and graphics that he created.
- Used CRM software to track leads, conduct sales follow up, and close sales.

3D Witness (Nov 2005 – Nov 2007)

Owner / Principal

While attending the University of South Florida, I founded and managed **3D Witness, Inc.**, a Florida corporation. Here I designed websites and created 3D animation presentations for trial attorneys. Accomplishments included:

- Successfully managed website design and 3D animation projects for trial attorneys.
- Developed and implemented the business development plan with a detailed marketing strategy.
- Developed and wrote marketing collateral to support marketing strategies.
- Made cold calls, followed up with leads and closed sales.

TC International (May 2003 – Oct 2005)

Marketing and Public Relations Assistant

- Managed projects, designing websites and brochures.
- Executed strategic marketing messages through print and online formats.
- Assisted with public relation campaigns.
